2017 International Conference on Neutron Scattering – ICNS2017 July 9-13, 2017 Daejeon, Korea

We welcome you all to join the 2017 International Conference on Neutron Scattering (ICNS 2017) to be held at Daejeon Convention Center (DCC) in Daejeon, Korea from July 9-13, 2017.

ICNS 2017 will be the largest international platform for sharing and exchanging the latest exciting advances in neutron scattering science, which will bring together scientists from a wide range of disciplines including physics, biology, chemistry, materials science, engineering materials, earth science, neutron sources and instrumentations. ICNS 2017 adds to a successful series of conferences addressing latest findings and advances in the field of neutron scattering as well as fundamental science and cutting-edge technologies. At ICNS 2017 we will have 7 plenaries, many invited and contributed speakers to share their most exciting results. In addition, poster sessions and a lot of time for discussion will take place. For more details on the scope and main topics of the 2017 International Conference on Neutron Scattering, please refer to our conference website www.icns2017.org.

Call for Abstracts

ICNS 2017 Online Submission System is now Open!

We now invite you to submit contributions from all disciplines and all countries that discuss various aspects in the field of neutron-related disciplines, as well as science and -technologies. Abstracts must be submitted via the electronic submission system on our website no later than February 24, 2017. Post-deadline abstracts will be considered as posters only.

Abstracts should be submitted directly via online submission system and then all submissions will be reviewed by the Scientific Committee. http://www.icns2017.org/abstract_submission.php

Abstract Submission Deadline: Friday, February 24, 2017

ICNS 2017 will be held in Daejeon, South Korea. We are now calling for Abstracts for ICNS 2017. Please see the detailed information below for Submission. Abstracts should be submitted directly via online submission system and then all submissions will be reviewed by the Scientific Committee.

Conference Topics

- Soft Matter
- Biology and Biological Interface
- Condensed Matter Physics
- Magnetism and Thin Films
- Chemistry / Earth Science
- Engineering Materials
- Energy Materials / Environmental
- Imaging / Radiography
- Neutron Physics
- Industrial Applications
- Sources and Instrumentations
- Sample Environment and Software

Submission Guideline

- You are required to submit abstract via On-line Submission System below.
- Please register as a new user first, then you can login into the On-line Submission System.
- You may type your abstract directly into the system or you may copy and paste your abstract into the system.
- Your abstract title and abstract must not exceed 200 characters, and 1500 characters respectively.
- Before the submission, please select your preferred type of presentation (Oral/Poster). The accepted presentation and type will be notified after review process accordingly.

ICNS 2017
July 9-13, 2017, DCC, Daejeon, Korea

Plenary Speakers

We are delight to introduce our Plenary Speakers;

Pengching Dai
Rice University, USA

Jean-Marie Tarascon
The College de France, France

Hideo Hosono
Tokyo Institute of Technology, Japan

Müller-Buschbaum
Technical University Munich, Germany

Tim Lodge
University of Minnesota, USA

Important Dates

Are you expecting to participate in ICNS 2017 conference next year? You better mark these dates on your schedule calender!

- * Abstract Deadline Feb. 24, 2017
- * Notification of Acceptance April. 7, 2017
- * Early registration deadline May. 19, 2017

Sponsorship and Exhibition Information

Make the most out the ICNS 2017 for your business with a great sponsorship opportunity.

We offer a variety of sponsorship and advertisement opportunities to pay off more than you expect throughout the meeting. Our sponsorship prospectus is now available. If you need more information, please do not hesitate to contact the secretariat icns2017@icns2017.org.

All sponsorship categories are filled out, on a first-come, first-served basis.
