

The 14th INTERNATIONAL SYMPOSIUM ON
PLASMA BIOSCIENCE(ISPb14)
ASSOCIATED WITH 6th TUTORIALS ON PLASMA
BIOSCIENCE

Plasma Bioscience Research Center(PBRC),
KWANGWOON UNIVERSITY, SEOUL, KOREA
JUNE 23(Sunday) - JUNE 26(Wednesday), 2024

Organized and Supported by

플라즈마바이오과학연구소
Plasma Bioscience Research Center

광운대학교
KwangWoon University

사단법인
플라즈마바이오산업진흥협회
KPIA
Korea Plasma-Bio Industry Association

Plenary Speakers

Hiromasa Tanaka

Biological interactions of
plasma-activated solutions

Svetlana Ermolaeva

Input of bactericidal and regenerative
effects in wound healing upon non-
thermal plasma treatments

CALL FOR ABSTRACT

All abstracts for ISPb14 must be submitted electronically via website(<https://ispb14.com>).

Submission Deadline: April 30, 2024

Important Dates

June 4, 2024	Notification of Acceptance of Abstract
April 30, 2024	Early Registration Deadline
June 4, 2024	Late Registration Deadline

Conference topics

- Plasma Bioscience and Medicine
- Plasma Sources for Biomedical Applications
- Plasma Nano Technology and Biomaterials
- Plasma Liquid and Biological Interaction
- Agricultural and Food Applications
- Environmental Applications
- Biomedical Science and Engineering Applications

Organizing Chair

Prof. Eun Ha Choi (Conference Chairman)
Prof. Ihn Han (Conference Vice-Chairman)
